## NOTIFICATION

This is to inform all concern about a change in the schedule for the upcoming Special Repeat Examination for terminal students.

As per the college academic calendar, the special repeat exam was scheduled to take place from July 12 to 15. However, due to unavoidable circumstances, we have had to reschedule the exam to a later date. The reason for this change is the overlap with the college graduation day. The decision has been made after careful consideration, aiming to provide a fair and conducive environment for all students.

The new schedule for the Special Repeat Examinations is as follows:

TIME: 01:00 – 04:00 PM		
Date/Day	Undergraduate	Postgraduate
26 <sup>th</sup> July (Wednesday)	CC 161 / MMC 161	PSC/BOT/GEO/ZOO/PHY 641
27 <sup>th</sup> July (Thursday)	CC 162 / MMC 162	ENG/PSC/GEO/PHY/ZOO 642
28 <sup>th</sup> July (Friday)	DSE 261 / MMC 163	ENG/PSC/BOT/PHY/ZOO 643
29 <sup>th</sup> July (Saturday)	DSE 262	ENG/PSC 644

*Controller of Examinations reserves the right to alter/change the date for any or the whole of the above scheduled programme.*

### *Nota Bene*

1. Take note that students who were prohibited from taking Regular End-Semester Examinations because of shortage of class attendance, penalized for unfair means, or CIA (Continuous Internal Assessment) shortage do not need to apply for Special Repeat Examinations.
2. It is important to be aware of the dates for online form fill-up for special repeat examinations, which will be announced immediately after the regular examination results are declared.
