Revised Repeat Internal Exam Schedule - Important Update

This is to inform the students who applied for the Repeat Internal Examinations that there has been a minor change to the exam schedule that was previously published.

The examinations that had originally been scheduled for April 9th, 10th, and 12th will continue to take place as published on 19 March 2024. However, we realize that the exam scheduled for Friday, 11 April, falls on the same day as the Eid al-Fitr festival. Therefore, the examination for 11 April has been rescheduled for Saturday, 13 April 2024, in order to accommodate every participant.

Kindly note that on Saturday, 13 April 2024 the examination will start in the morning at 9:00 AM.

We regret any inconvenience that this adjustment may have brought about.
