

PATKAI CHRISTIAN COLLEGE (AUTONOMOUS)
CHÜMOUKEDIMA; SEITHEKEMA, NAGALAND

14th Academic Council Meeting

Date: 15th July 2025

Time: 11:00 AM

Venue: Conference Hall

The 14th Academic Council Meeting of Patkai Christian College (Autonomous) was conducted on the 15th of July 2025 with Principal of the college as the Chairman. He welcomed the members, particularly the External Members namely, Prof. Pauline Alila, Dept. of Horticulture, SAS, NU and Prof. K. K. Jha, Dept. of Agricultural Extension Education, SAS, NU. Rev. Dr. Vichükho, the chaplain of the college pronounced the opening prayer to begin the business of the day.

The Heads of 15 Academic Departments (HODs) presented their proposed Four Years Under Graduate Programme (FYUGP) syllabus, following NEP2020 guidelines, prepared by the Board of Under Graduate Studies of the respective departments to the Academic Council for perusal and approval. Discussions and inputs suggested by the External Members.

1. **Economics** – Queries were raised on the Major and Minor papers having the same course title with different course code which was clarified by the concerned HOD. Clarification was also given on common pool papers.
2. **Education** – It will be good and look better if the break –up of credit hours for practical and theory components are indicated in the syllabus.
3. **History** – Research/dissertation paper of 12 credits was not mentioned in the syllabus. Every dept should offer research/dissertation paper in the 8th semester. The dept seems to have over-emphasized NE and Regional History in the syllabus which was questioned by the external whether there will be any short fall when it comes to competitive examinations. This was clarified by the HoD that this aspect was considered.
4. **Philosophy** – Public speaking as SEC paper should have practical components and not only as theory paper. Research/dissertation need to be included in the 8th semester.
5. **Mathematics** – Syllabus should have page nos. Testing of hypothesis is necessary for Mathematics. Practical components should be added. The HOD informed that most of the syllabus is in line with CBCS with some additions added to all the papers.
6. **Physics** – Practicals should be mentioned right after the theory papers and not after the suggested readings.
7. **Zoology** – Practical for poultry farming is feasible for the students. 1 or 2 students can take care of a few broiler chickens for practical hands on training. Pisciculture and apiculture, though in the syllabus, may be more difficult to handle.

The FYUGP syllabi presented by the HODs of Economics, Education, English, History, Mass Communication, Philosophy, Political Science, Commerce, Botany, Chemistry, Geology, Mathematics, Physics, Zoology and BCA were approved. The revised 2 years Post Graduate syllabi of Botany and Zoology departments were also approved.

Comments from External Members:

Prof. K. K. Jha

- a) Gave a glowing comment on the work and dedication put forward by the teachers on the preparation and revision of the syllabi.
- b) Theory and practical components need to be delineated properly.
- c) Departments should have uniformly structured course.
- d) While preparing for submission of the syllabus to the University, he recommended the other departments to follow the framework structure presented by the dept. of Economics.
- e) Dedication of the BUGS in preparation of the syllabi is well appreciated and it will greatly benefit the students.

Prof. Pauline Alila

- a) Commented on the preparation of the syllabus according to the NEP2020 program.
- b) She emphasized on the entry and exit of students at various stages to be taken care.
- c) While indicating credits, theory and practical components should be mentioned clearly E.g. Only theory : 4+0, 5+0, etc.
Theory plus practical : 2+1, 3+1, etc
Only practical : 0+2, 0+3, etc.
- d) She expressed her appreciation to the HODs for their efforts in producing comprehensive syllabi for the benefit of the students.

In conclusion, Principal expressed gratefulness to the External Members for their meaningful discussions and valuable inputs. He advised the HODs to take care to incorporate the suggestions given by the External Members in the syllabus so that it becomes a refined and comprehensive document to be forwarded to the Nagaland University. He also thanked all the Heads of academic departments for their efforts and cooperation.
