Programme Outcomes, Programme Specific Outcomes and Course Outcomes

2025-2026

The college has a dedicated team of technical experts who oversee the entire process of teaching-evaluation and examinations. Apart from the responsibility of teaching-evaluation, each faculty has been trained to double-up as mentor as well as trouble-shooter of problems and difficulties raised by their respective students.

EXAMINATION SYSTEM

Students were assessed for a total of 100 marks for each course; the mark distribution is broadly divided into two categories: 30 marks for Continuous Internal Assessment (CIA) and 70 marks for End-Semester Examinations (ESE). Numerical marks are converted to grades A, B, C, and D using a ten-point scale.

Continuous Internal Assessment (CIA)

For each 6-credit course and as CIA component, students wrote centrally conducted 45-minute-internal examination for 10 marks and submission of assignment for 20 marks. The students could log in to the examination portal and check their performance for each course in terms of marks and remarks/comments of the course teacher.
